2015

The 20th European (Region 1) ARDF Championships is over now. Here are the official results of the championship. We hope you all enjoyed the event and experienced success and possibly found new friends.

In 2004, Czech Republic hosted a World Championship, and since 2000 we also hosted four Youth Championships. We are proud that the Czech Republic had the opportunity to host such an important event this year and we would like to invite you to bring your youths back to Czech Republic for another Youth Championship in 2018.

We wish you a safe trip home, a lot of success in both yours personal and sporting life and hopefully see you again at future ARDF competitions!
